

White House Farm

Holdworth Lane, Bradfield

Blenheim
Park Estates

Exterior and Gardens

From Holdworth Lane, a block paved driveway leads to timber gates that open to the front of White House Farm.

To the front of the property, there is a block paved driveway that provides parking for several vehicles and access can be gained to the boot room. A step rises to a split-level stone flagged patio with a timber sleeper planter, exterior lighting and a water tap. Access can be gained to the living kitchen and main entrance door. The patio continues with a planted border and there is access to the inner hallway. A step heads down to a gravelled path that is flanked by planted borders and leads to a stone flagged seating terrace with a planted border and access can be gained to the lounge. Next to the driveway and terrace, there is a garden that is mainly laid to lawn with a raised timber sleeper border and a pond with timber/gravel inset steps to two sides that rise to the main seating terrace. The garden also has a speaker system (negotiable) and is enclosed by timber fencing.

A Substantial Six Bedroomed Equestrian
Property in a Tranquil, Rural Location

Welcome to White House Farm

Perfectly placed in an elevated position to enjoy stunning far-reaching countryside views is White House Farm, a conversion of an original farmhouse and barn to create a substantial six bedroomed residence. Spanning over 4600 sq.ft, this characterful home presents a wonderful opportunity for those looking to reside in a tranquil, rural location.

The entire plot of White House Farm totals approximately 5.1 acres which includes just under 5 acres of land for equestrian usage. Accessed independently to the house from Holdworth Lane, the facilities comprise a stable block that has the potential to be split into seven stables as it offers the flexibility to arrange three of the dividers as desired. There are also separate feed and hay stores, a 45m x 25m ménage and five paddocks, which are mostly enclosed by electric fencing and two of the paddocks have field shelters.

White House Farm provides extensive accommodation over two floors that is well-suited for a large family thanks to its four generous bedroom suites and two additional bedrooms. Offering four main reception rooms on the ground floor and an open plan living kitchen with Neff appliances and a fabulous living room, there is ample space for everyday living and entertaining guests. The exceptionally spacious lounge, sitting room, living kitchen and all of the bedrooms benefit from having superb vantage points for the lovely countryside views. There are speakers throughout the ground floor, which have been upgraded in the last two years, with a negotiable Sonos connection and provision for the speakers throughout the first floor to be linked to a system.

White House Farm sits behind stone walling and gates, which open to a block paved driveway for parking several vehicles. Beside the driveway, there is a well-maintained south-facing garden and various seating areas that connect to the living areas through double doors. The property also benefits from having solar panels, which are linked to heating the hot water cylinders, and the white rendered external walls have been treated with a resin-based coating that has 15 year guarantee from July 2021, which is transferable.

This unique home is situated in a fabulous rural location and has convenient access to the local amenities of Low Bradfield and High Bradfield. There are a range of countryside walks nearby, such as the Loxley Valley Trail, Damflask Reservoir and Agden Reservoir. A short drive away provides access to Loxley, Stannington and Hillsborough, which offer additional amenities with a range of supermarkets, public houses, cafes and shops. Hillsborough Golf Club is just a short distance away and there is local schooling in the area. The property is also conveniently positioned for access to Sheffield city centre, the Peak District and the A57 provides a convenient road link to Manchester.

A Converted Original Farmhouse and Barn, Perfectly Placed in an Elevated Position to Enjoy Stunning Far-Reaching Countryside Views

The property briefly comprises on the ground floor: Entrance hall, WC, inner hallway, sitting room, lounge, study, formal dining room, kitchen, family room, rear lobby, utility room, storage cupboard, WC and boot room.

Equestrian Facilities

From Holdworth Lane, there is a section of a hardstanding at the side of the road where there is space to park three vehicles. From there, a timber gate opens to a track with exterior lighting that leads down to the stable block and ménage. There is also a gravelled hardstanding for parking a horse box and additional room for other vehicles. Access can be gained to a hay store.

Stable Block

A brick-built stable block with timber cladding. The exterior has floodlights and a water tap. Access can be gained to the stables and tack room.

Stable 1

14'1 x 12'0 (4.30m x 3.66m)

Having light, an automatic water trough and a stable-style door.

Stable 2

14'1 x 12'0 (4.30m x 3.66m)

Having light, a stable-style door and provision for an automatic water trough.

Stable 3

14'1 x 10'4 (4.30m x 3.16m)

Having light, a stable-style door and provision for an automatic water trough. There is also a partition to one side that could be adjusted to make a bigger or smaller stable.

Stable 4

14'1 x 8'10 (4.30m x 2.70m)

Having light, a wooden partition, a stable-style door and a window with a shutter. There is also provision for an automatic water trough.

Stable 5

14'1 x 6'10 (4.30m x 2.09m)

Having light, a wooden partition, a stable-style door, a window with a shutter and an additional window adjoining stable 6.

Stable 6

14'1 x 8'4 (4.30m x 2.54m)

Having double timber access doors, light, power, a wooden partition and a window adjoining stable 5.

Stable 7

14'1 x 8'3 (4.30m x 2.51m)

Having a wooden partition and a window with a shutter.

Tack Room

14'1 x 9'11 (4.30m x 3.03m)

Having light, a roof panel, power, a fitted work surface and housing the electric meter for the stables. A timber door opens to a WC.

WC

Having light, a low-level WC and a wall mounted wash hand basin with a tap.

Ménage

Measuring approximately 45m x 25m with a rubber and sand surface and fencing with pop-up flood lights. There is a timber gate that opens to the access track and another gate opens to a small grassed area.

From the access track, a timber gate opens to the paddocks. There are five paddocks in total, which are interlinked with timber gates and have automatic water troughs in each paddock. The paddocks have mostly electric fencing and there are two field shelters in two of the paddocks, one of which has some damage.

Tenure: Freehold

Council Tax Band: D

Services: Mains electric, mains water and mains gas. There is a Klargester for drainage that is located in the land off one of the neighbouring properties and is shared between three properties, including White House Farm. The cost of emptying and servicing is split between all of the properties. The property has fibre broadband and the mobile signal quality is good on most networks. There are also solar panels on the property, which serve the heating of the hot water cylinders.

Covenants, Easements or Wayleaves: None.
