BLenheim

AN EXQUISITE PERIOD HOME SHOWCASING A WEALTH OF CHARACTER

TRANQUILLY LOCATED
SURROUNDED BY ROLLING FIELDS,
LITFIELD FARM IS AN EXCEPTIONAL
EXAMPLE OF A QUINTESSENTIAL
ENGLISH HOME AND DATES BACK
TO THE 1600S.

This wonderful, Grade II listed five bedroomed residence boasts an abundance of character and a highly versatile layout that spans over 3600 square feet.

As soon as you step through the door, the timeless, traditional features immediately provide a sense of warmth and charm.

From beautiful oak beams to stone mullioned windows, every corner of this home has a story to tell. Believed to have been three cottages originally, Litfield Farm has been cleverly adapted to form a single, substantial dwelling that suits present day living and offers plenty of room for a growing family. The home is equipped with an under floor heating system (other than in the laundry room, breakfast room and WC) and heat recovery ventilation in every room, ensuring a fresh environment.

The heart of the home is the open plan kitchen and breakfast room. The kitchen is very well appointed with a range of high-quality cabinetry and appliances, along with a superb central island. Adjacent to the kitchen is the breakfast room, which is ideal for more informal dining and connects to a WC.

Relaxing in the comfort of your own home couldn't be easier at Litfield Farm. Whether its cosying up on a winters evening in the snug, hosting a dinner party in the formal dining room, or settling down with your favourite book in the lounge, every space has been purposefully designed for maximum comfort. Each of the reception rooms also have feature stone fireplaces, all of which house Clearview log burners.

The flexibility of the layout ensures that each family member has the opportunity to have their own space. Two bedrooms are located on the first floor and the remaining three bedrooms on the second floor. A sanctuary for relaxation, the luxurious master bedroom suite showcases a comprehensive dressing room, a sizeable master bedroom and a sumptuous en-suite bathroom. Two of the bedrooms enjoy en-suites and the other two bedrooms are well-proportioned doubles. A family shower room offers potential to be used as an en-suite to the third bedroom, if desired.

Litfield Farm stands proudly in its setting and is accessed via intercom operated electric gates. A large driveway provides parking for several vehicles, along with a detached double garage. The grounds around the property have been thoughtfully landscaped to include a fabulous terrace with an oak pergola, a kitchen garden and a pretty 'secret garden' with an array of fruit trees and bushes.

The property is positioned on a private lane in a quiet hamlet which has a brook passing by at the bottom of the lane. The quaint village of Ridgeway contains a range of amenities such as two public houses, a primary school and a highly rated fine dining restaurant. For those who enjoy sports, there is a sports and social club, a tennis club and Birley Wood Golf Course. From the doorstep are a range of public footpaths available for enjoying scenic walks through woodland and meadows of Moss Valley. The property is a short drive to Sheffield city centre, Chesterfield, the Peak District National Park and the M1 motorway for journeys to major cities. Direct rail routes to London are available from Sheffield and Chesterfield train stations.
