*This stunning five/six bedroomed detached residence
originally dates back to the mid-17th century with later
Georgian additions, resulting in a magnificent home
that showcases a wealth of period features.*

The striking Georgian front elevation provides a lasting first impression.

Standing behind a stone wall, Pear Tree Farm's attractive stonework, paned sash windows and panelled wooden entrance door combine to create a timeless façade. The property holds a Grade II listed status and has been sympathetically maintained to preserve its all-important heritage.

The main two reception rooms are the lounge and dining room, both offering homely settings, with the lounge featuring a Morsø log burner set within a stone fireplace. A fabulous breakfast kitchen effortlessly accommodates a six-seater dining table and has solid oak cabinetry and marble work surfaces. Just off the breakfast kitchen is a useful utility room and a garden room, which is exceptionally spacious and has tri-folding doors that open to the outdoor seating terrace for seamless indoor-outdoor living.

Spanning a considerable area on the first floor is the master bedroom suite. Sitting beneath an impressive vaulted ceiling adorned by exposed timber beams, the master bedroom blends capaciousness and style. An en-suite shower room adds a luxurious touch, whilst an adjacent study offers excellent scope to be incorporated as part of the suite for use as a dressing or reception room. There are two further double bedroom suites of generous proportions, plus a family bathroom with a roll top bath.

The second floor is home to an additional two double bedrooms, which are filled with natural light and overlook lovely field views. There is also a storage room that could be utilised as a sixth bedroom, nursery or study.

Pear Tree Farm is approached by a sliding electric gate, which opens to a driveway that provides parking for multiple vehicles and has access to a detached garage. The gardens are situated at the left side of the property, which benefit from a south-west facing orientation, and contain a large lawned area, established borders and a superb seating terrace ideal for outdoor relaxation, alfresco dining and entertaining. To the rear of the home is a lovely gravelled patio and a garden store.

Brookhouse is a quaint hamlet with a babbling dike running through, creating a tranquil environment for semi-rural living. The locality has a public house and a cricket club. The property is well connected to a range of schooling and conveniences in the surrounding areas, such as public houses, shops, restaurants and cafes. Within the local area are public footpaths that meander through the nearby countryside and link with the historic site of Roche Abbey. The property is also ideally located for access to the M1 and M18 motorways, providing links to Leeds, Nottingham, London and the North East.
